Over 2,000 Democratic Precinct Election Boards, 119 Democratic County Election Boards, and a solidly Democratic State Election Board—every one the creation of Mr. Goebel or his agents—certified to the following vote cast at the election held in Kentucky on Tuesday, November 7th, 1899—

William Goebel.....191,331

AND now comes the report from China that Prince Tuan is not a real Prince at all. This, however, does not affect the standing of TUAN CANTRILL, who is a real sure enough Prince of Partisanship, all goathair and a mile wide.

MR. BRYAN says if he is elected he will at once convene Congress and recommend a declaration of the Nation's purpose in regard to the Philippine War. Congress will do well not to attempt to hold its breath until Mr. BRYAN carries out his threat.

THE LEDGER has it from undoubted authority that one of the most uncompromising Goebelites of Georgetown when the trial began declared publicly that POWERS ought to be hung, but that he now as publicly declares that he ought to be acquitted. The same authority says the conduct of CANTRILL and CAMPBELL has turned many citizens of Georgetown from BECKHAM to YERKES.

CONGRESS has just appropriated the sum of \$7,000 to pay for an investigation of the lobster. The trouble with him is that he is getting scarier and scarier every year, and what the Government wants to know is the reason why he is diminishing in numbers and what measures may be taken to put a stop to that mischief.—News Item.

If the Government sharps will only come here they can find every one of the missing "lobsters." They are members of the Maysville Bowling Club.

It comes with a poor grace from modern so-called Democrats to oppose Expansion—even island expansion—when that has been the traditional policy of the party from the days of JEFFERSON to the days of BUCHANAN. In 1846 President POLK offered to purchase Cuba from Spain for the sum of \$100,000,000, though he had no authority from Congress to make the proposal, and he certainly could not have obtained the money without such authority had Spain accepted. But the offer was refused.

Again in 1845, under the Administration of President PIERCE, our then Ministers to England, France and Spain, who were JAMES BUCHANAN, JAMES Y. MASON and PIERRE SOULE, met at Ostend and issued the famous Ostend manifesto, which in effect was that if Spain should refuse to sell Cuba to the United States for \$120,000,000, "we should be justified by every law, human and divine, in wresting it from Spain if we possess the power."

This came to nothing, but in the next Administration President BUCHANAN in three of his annual messages to Congress urged that Cuba ought to be made by purchase a part of the United States. A bill for the purchase of Cuba was introduced during BUCHANAN's term by Senator STABLE, but failed of adoption.

In both the Democratic platforms of 1860—the Breckinridge and the Douglas—there were planks favoring the annexation of Cuba.

But not only did Democratic Presidents favor the annexation of Cuba, but an effort was made by President PIERCE to annex Hawaii, and a treaty of annexation was made by our Minister to the Hawaiian Islands, DAVID L. GREGG. The President did not approve of some of the articles of the treaty because they provided for the immediate incorporation of the islands as an independent state in the Union. He wished to receive them as a territory, leaving the question of statehood to future determination. The negotiations subsequently failed, owing to the death of the King of the islands. Forty-four years later President McKinley successfully established the policy initiated by President PIERCE,

It looks very much like CANTRILL and CAMPBELL have queered their case. There has been too much of the HEROD out Heroding HEROD business.

HONEST DEMOCRATIC OPINION.

No Democratic speaker and no Democratic paper can afford to endorse "Colonel" Tom Campbell's method of trying the Powers case. Suborning perjury in order to convict and hang a man is hardly less a crime than hiding behind a brick wall and shooting Goebel down. One crime, however, does not by any means justify the other. Powers may be guilty. Several Republicans have given evidence that tends strongly that way. But doubt has been thrown on every particle of evidence in the case by the perjury of Weaver. It now develops that Weaver was searched for and brought from the mountains, and did not happen to be at Georgetown. Besides furnishing expert shots, it seems our mountains also furnish the most gifted and facile liars ever developed in the history of perjury.

NO GRIEVANCE.

Speaking of the assembly of mountaineers at Frankfort last winter "to present a petition for the rightful decision of pending controversies," The Courier-Journal says that "there was no grievance." It was no occasion for grievance for Senator Goebel to gather about him a lot of tools to throttle the voice of the people. It was no grievance to turn members of the Legislature out by the dozen and fill their places with men who had not been elected by the people, in order to secure a majority for Goebellism. It was no grievance for the willing tools of Goebel to cast out the whole vote of Louisville and several other counties on flimsy pretenses founded on false assertions, to make void Governor Taylor's majority. It was no grievance to have South Trimble as Chairman of the House sitting in such position as that no one but himself could see the names on the slips drawn to furnish names for a contest committee, and it was no grievance for South Trimble and Ed. Leigh to present a list of names for the contest committees composed of Goebel Democrats, except one or two. It is no grievance to juggle or thimble the people out of their rights. It's no grievance to steal.

NOT THE ONLY ONE.

There Are Hundreds of Maysville People Similarly Situated.

Can there be any stronger proof offered than the evidence of Maysville residents? After you have read the following quietly answer the question.

Mr. A. W. McClanahan of 119 West Second street says:

"The use in my case fully demonstrated the value of Doan's Kidney Pills. I suffered more or less from kidney trouble for twenty years, steadily becoming more persistent as time passed on. My attention was called to Doan's Kidney Pills, and I got a box at J. James Wood & Son's Drugstore, corner of West Second and Market streets. The treatment so greatly benefited me that my only regret is that I did not know of this valuable remedy years ago, for had such been the case I would have been saved much suffering."

For sale by all dealers; price 50 cents a box. FOSTER-MILBURN CO., Buffalo, N. Y.

EVIDENCE OF MURDER.

The Disembodied Body of a Farmer Who Disappeared Some Time Ago Has Just Been Found.

Baltimore, Aug. 14.—The disembodied body of a farmer named Joseph Schaefer, who lived near the line between Baltimore and Howard counties, has been found in the Patapsco river near Woodstock, Md., and the police are confident that murder has been done.

Schaefer disappeared in February last and nothing has been heard from him since that time until Saturday when the head and trunk of his body were found in the river by some boys who were swimming. Monday both legs were found near the same spot and the police say an examination of them indicate that they were cut off near the hips with a blunt instrument. They were still covered with portions of the trousers Schaefer wore when he left home and in the pockets were six cents, all that was left of a considerable sum Schaefer had with him when last seen. Schaefer started from home to cut wood, accompanied by a Negro who had helped about the farm on previous occasions and neither of them has ever been seen alive since.

ONLY DEAD A SHORT TIME.

The Body of a Man Found on Top of a Baggage Car at Louisville, Ky.

Louisville, Ky., Aug. 14.—The body of a man about 35 years of age was found on the baggage car of the B. & O. S. W. train No. 19, which arrived here at 11:30 o'clock Monday night from Cincinnati. The body was warm when found, and the man had been dead only a short time. The supposition is that he was standing when the train passed under the K. & I. bridge at Fourteenth street, and struck it. His skull was crushed in two places. The deceased is supposed to have got on the car at Cincinnati, as the baggage men say they heard a noise as if made by footsteps above as the train pulled out of the station there. The man was well dressed, and had evidently been in good circumstances, although he was beating his way. He was 5 feet 9 inches tall, and weighed about 170 pounds. Nothing was found on the corpse by which it could be identified. On the man's collar were the initials "X. R."

EVIDENCE ALL IN.

Five Speeches to Be Made and the Case of Caleb Powers Will Go to the Jury.

Georgetown, Ky., Aug. 14.—The hearing of the testimony in the case of ex-Secretary of State Caleb Powers was concluded at noon. The argument will now be heard. There will be five speeches on each side. Those who will speak in behalf of the prosecution are: Commonwealths Attorney Franklin, T. C. Campbell, John K. Hendrick, Victor F. Bradley and Capt. E. B. Golden. Those who will argue the case for the defendant will be: Ex-Gov. Brown, J. G. Sims, Judge J. H. Tinsley, ex-Congressman Owens and Judge George Denny. The case is expected to reach the jury by Saturday.

Judge Cantrill announced that the Youtsey case will be taken up immediately.

Will Seek Removal.

Frankfort, Ky., Aug. 14.—A statement of the shortage in the office of County Court Clerk Chinn, of Fayette county, and a recommendation for his removal from office will be laid before the court of appeals within the next day or two and the court requested to act immediately. Lawyers here say that the settlement of the shortage by the bond company will not bar removal proceedings.

Hundred Shots Fired.

Hopkinsville, Ky., Aug. 14.—Tom Mack and Charles Wynne were shot and probably fatally wounded at a moonlight festival near Elmo. They, with other parties, were engaged in crap shooting, when trouble arose over accusations of cheating. Witnesses say over 100 shots were fired before peace was restored. No arrests were made, as all the other participants fled.

Decision on a Poul.

Louisville, Ky., Aug. 14.—Before the Nonpareil Athletic Club Marvin Hart, of Louisville, was given the decision on a foul over "Kid" Hubert, of Lexington, Ky., in the sixth round of what was to have been a 20-round contest at 135 pounds. Pete Pareto, of Louisville, got the decision over "Mexican Joe," of New Orleans, in a six-round contest at bantam weights.

Powers' Jury in Frankfort.

Frankfort, Ky., Aug. 14.—The jury in the Powers case which is being tried at Georgetown arrived here at 5 o'clock and spent an hour in viewing the state capitol grounds and buildings and other points in connection with the case. The jury was in charge of Judge Cantrill and three deputy sheriffs.

Run Down By a Train.

Catlettsburg, Ky., Aug. 14.—Henry Layne and Fred Ratcliff, colored, of this place, while driving in Ceredo, W. Va., were run down by a C. & O. excursion train. Layne was killed instantly and Ratcliff will die.

Shortage Made Good.

Williamsburg, Ky., Aug. 14.—Former State Inspector Lester stated that the entire shortage of County Clerk Wes B. Wilson, of Kenton county, had recently been made up and paid over to the state.
